STUDENT VISION CARD

GOOD VISION. BETTER LEARNING. BRIGHTER FUTURES.

Student First/Last Name _____ Exam Date _____
 Student Date of Birth ____/____/____ Student Home Zip Code _____

TO THE PARENT OR GUARDIAN:

To fully assess the health of your child's visual system and prevent future learning problems associated with undetected vision problems, regular professional eye exams are essential. Experts estimate that 80% of learning is obtained through vision. Good vision directly contributes to a child's ability to learn while in school.

As a part of your back-to-school preparations, it is recommended that you take your child and this card to your family eye doctor for a complete eye health examination. This card should be signed by the eye care professional and returned to the school nurse or teacher by your child.
